(b) In effecting such coordination, responsible AFRH officials will ensure that the substantive and procedural requirements of other environmental authorities are met, together with the requirements of NEPA. It will be explicitly understood that compliance with NEPA does not substitute for compliance with other environmental authorities, nor does compliance with such other authority substitute for compliance with NEPA.

§ 200.6 Public involvement.

(a) As part of its system for NEPA compliance, the COO and the Master Planner shall provide for levels and kinds of public involvement appropriate to the proposed action and its likely effects.

(b) Where a related authority provides specific procedures for public involvement, the responsible AFRH official shall ensure that such procedures where practicable in the process of NEPA review.

(c) Public involvement in the AFRH NEPA process shall have as its purpose the full disclosure of AFRH actions and alternatives to the public, within the constraints of AFRH program authorities, and giving the public a full opportunity to comment on the environmental effects of AFRH proposals.

(d) Pursuant to Executive Order 12898, special efforts will be made to involve members of potentially affected low-income and minority communities in NEPA review and decision-making. Such efforts may include, but are not limited to, special programs of community outreach, including cross-cultural programs, translations of pertinent documents, and ensuring that translators are available at public meetings.

(e) Information pertaining to AFRH actions and/or NEPA documentation can be obtained through the Master Planner at 3700 North Capital Street, NW, Washington, DC 20011.

§ 200.7 Cooperating agencies.

(b) The responsible AFRH official will invite other Tribal, State, and local agencies to serve as cooperating agencies with subject matter jurisdiction or special expertise in the conduct of NEPA review of an AFRH proposed action.

§ 200.8 AFRH participation in NEPA compliance by other agencies.

(a) AFRH may participate in the NEPA process as a cooperating agency for another lead agency's project, or as a commenter/reviewer of another agency's NEPA document. AFRH may also participate in environmental studies carried out by non-Federal parties (for example, a local government conducting studies under a State environmental policy law) where such studies are relevant to AFRH's interests or may be incorporated by AFRH into its own studies under NEPA. Where AFRH will be responsible for a decision on a project that is the subject of such a study, and has the authority to do so, AFRH will ensure that the study and its resulting documents meet the standards set forth in these regulations in coordination with the COO.

(b) As a cooperating agency, AFRH participates in the NEPA process as requested by the lead agency, in accordance with 40 CFR 1501.6 of the CEQ regulations. Tasks may include participating in meetings and providing specific information relevant to the matters over which it has jurisdiction by law or expertise.

(c) AFRH comments shall be prepared in consultation with, or by, the Master Planner.

(d) The responsible AFRH official may provide comments and/or reviews of another agency's NEPA documents, and/or other Federal and State environmental documents.
